

REMARKS

The amendments to the claims as set forth above are made without prejudice and are intended to reduce the number of claims and to remove multiple dependent claims from the subject application, solely in an effort to reduce filing fees. It is not applicant's intent to forego patent protection on the cancelled subject matter and applicants hereby reserve the right to pursue the cancelled subject matter at a later point.

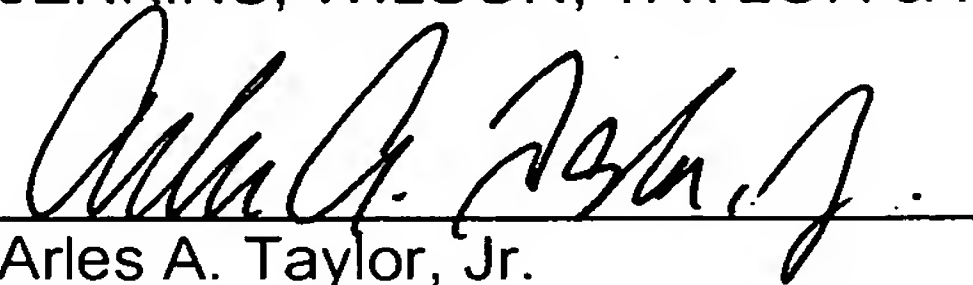

The Commissioner is hereby authorized to charge any deficiencies or credit any overpayments in connection with the filing of this correspondence to Deposit Account No. 50-0426.

Respectfully submitted,

JENKINS, WILSON, TAYLOR & HUNT, P.A.
